10) The Dy Comr reports that he cannot approve of the proposal of the Mlc to raise the pay scales of the octroi Inspector to the level of the scales of the Rev Inspector on account of the following reasons -

a) That the present octroi Inspector is a permanent octroi Inspector and is not qualified

(b) That the expe on establishment has been considerably increased due to revision of scales of pay and any further increase is not conducive to the finances of the Mlty

11) The DC suggests that the grade may be suitably modified to Rs 50-3-80/- instead of Rs 40-2-50-3-80 on account of the following reasons

a) The maximum of the grade of pay of the octroi Muthsaddi ce Rs 45/- is less than the minimum of grade sanctioned

Sir,

Sub -Scale of pay of Octroi Inspector -revision of-
***

I write to state that the Municipal Council while proposing the general revision of the scales of pay of their employees during October 1947 kept the scale of pay of the octroi Inspector of this Municipality in conformity with the scale of pay of the Revenue Inspector who is a lent official of the Revenue Department with a view to make interchanges between the two appointments According to this proposal the scale of pay of the Revenue Inspector and the Octroi Inspector was Rs 40/- in grade 40-2-50 Eb-3-80 This proposa was also sanctioned by the Government in their Order No. 4211-3M1/104-47-61 dated 22-10-48

But in the mean time there was a proposal in the Revenue Department to further revise the scales of pay of the Revenue Inspectors and the Government in their Order No R 2238-40/L R 143-48-2 dated 9-9-48 accorded sanction to the proposal According to this order, the scale of pay of the II grade Revenue Inspectors is 50-3-80 EB-4-100 + Rs10/- and the Municipal Council at their meeting held on 27-10-48 resolved that this scale of pay may be adopted in this Municipality also This proposal has since been sanctioned by Government in their Order No L 6724-49 MU 105-48-59 dated 20-12

As this further revision of the scale of pay of the Revenue Inspector frustrated the object of the Municpal Council, they on the representation of Mr A D Soans who is the Octroi Inspector of this Municipality, considered the question of further revising the scale of pay of the Octroi Inspector in Order to keep it in conformity with the scale of pay of the Revenue Inspector and resolved that the scale of pay of the Octroi Inspector may be revised to 50-3-80 EB-4-100 + 10 Cycle Allowance and that this revision may be given effect to from 1-12-48

I may bring to your kind notice in this connection that the Octroi Inspector is a permonent employee of the Municipality and that the Revenue Inspector is a lent Official If the scales of pay of these two officials are equal they may be interchanged such interchange is necessary for the efficient discharge of the Municipal work I feel that the Municipal council have rightly resolved in so far as the revision ofthe scale of pay of the octroi Inspector As regard the date from which this revised scale should come in to force, I feel that it should be given effect to from 1-1-47 alone as in the case of the Revenue ~~xxxxxx xxxx~~ Inspector as otherwise, the incumbent will not have any benefit by the revision as his pay in the present (40-2-50-3-80) grade will be Rs 50/- on 1-1-47 after allocation

Under these circumstances, I request you kindly to obtain sanction of Government to the revision of the scale of pay of the Octroi Inspector from 40-2-50-3-80 to 50-3-80 EB-4-100 with effect from 1-1-47

A copy of the resolution of the Municipal Council together with the application of the official and the connected references is herein enclosed for favour of reference

Subject - Revision of the scales of pay of the Octroi Inspectors Shimoga Town Municipality

With reference to your letter No L 9388 dated 15-2-49 forwarding a copy of the letter No L 9387- dated 15-2-49 addressed to the President, Town Municipal Council,Shimoga, on the subject noted above, I have the honour to enclose herewith the correspondence ending with No C2 16/48-49 dated 29-3-49 received from the President

The President has furnished information regarding the income under octroi and Toll for the past three years The income under the two heads is on an increase from the last three years A report was called for from the President as to whether the increase was due to personal efforts of the octroi Inspector and if so, to what extent The President has reported that the octroi Inspector has contributed along with the other staff for the increase which is due also to trade conditions as such an increase has been noticed in respect of other Municipalities in the District

The scales of pay of the Octroi Inspector and Octroi Mutsaddies as were in force and the revised scales of pay as revised along with the proposed further revision of scales of pay of the Octroi Inspector (are noted in the margin) The proposal of the Council to raise the

	Existing Scale	Sanctioned Scale	Proposed scale
Octroi Inspector	30-2-40	40-2-50-3-80	50-3-80-4-100
Asst Octroi Inspector		35-2-45	
Octroi Mutsaddies	20-1-25	35-2-45	

scales of pay to the level of the scale of the Revenue Inspector cannot be approved on account of the following two reasons, firstly, that the present Octroi Inspector is a permanent Octroi Inspector and is not ~~qualified~~ qualified to be put in to the grade of Revenue Inspector

and secondly, that the expenditure on establishment has been considerably increased due to the revision of scales of pay Any further increase in the personnel of the establishment, involving as it does the consequent increase in expenditure, is not conducive to the finances of the Municipality

In these circumstances, without increasing the Average cost of the establishment, the grade could suitably be modified to 50-3-80 instead of 40--2-50-3-80 on account of the following reasons

1) The maximum of the grade of pay of Octroi Mutsaddies is 45/- This is less than the minimum of grade sanctioned to the Octroi Inspector for which part appointments are to be made by promotion from the persons working as Octroi Mutsaddies and Assistant Octroi Inspectors Hence the minimum of the grade is proposed to be fixed just above Rs 45/- the maximum of Octroi Mutsaddies

2) the proposal gives some margin in the raise of the initial pay which is a little higher than the maximum of the previous scale

3) There will be no increase in the cost of expenditure though there will be some benefit to the person as in the case of other officials of the Municipality

In addition tothe revision of the scales of pay, the President reports that the Council have resolved that a conveyance allowance of Rs 10/- per month be sanctioned along with the revision of scale of pay from 1-11-48

In this connection, I wish to state that conveyance allowance of Rs 10/- has been sanctioned to the Revenue Inspector of Bhadravati Municipality in G O No L 7695-7/II L 105-48-67 dated 10-1-48 Further in L 4211-3/III 104-47-61 dated 22-10-48, while sanctioning the revision of the scales of pay, Government have observed that the question of increasing conveyance allowance may be considered and fresh proposals made, if necessary,. Hence I recommend that a C A of Rs 10/- as resolved by the Council be sanctioned from 1-1-47 alone instead of from 1-12-48 as resolved by the Council as an uniform measure, without making the present case an exception

In these circumstances, I request for early orders of Government sanctioning the scale of pay of Rs 50-3-80 with C A of Rs 10/- from 1-1-47 to the Octroi Inspector, Shimoga Municipality

Yours faithfully,

Deputy Commissioner I/c
Shimoga District
